THE HOLY BIBLE

Please memorize this portion

Psalm 113:1-9

1. Praise ye the LORD. Praise, O ye servants of the LORD, praise the name of the LORD.
2. Blessed be the name of the LORD from this time forth and for evermore.
3. From the rising of the sun unto the going down of the same the LORD's name is to be praised.
4. The LORD is high above all nations, and his glory above the heavens.
5. Who is like unto the LORD our God, who dwelleth on high,
6. Who humbleth himself to behold the things that are in heaven, and in the earth!
7. He raiseth up the poor out of the dust, and lifteth the needy out of the dunghill;
8. That he may set him with princes, even with the princes of his people.
9. He maketh the barren woman to keep house, and to be a joyful mother of children. Praise ye the LORD.

REAL REVIVAL!

Message given by

Pastor S. Sam Selva Raj at our Main Church

When I searched for the word 'revival' that is widely used in Christian circles, in my Bible. I could not find the word. The study of the word **revival** itself is a great learning. When people talk about spiritual meetings in India, it is generally said, Gospel Meetings, Revival Meetings and Crusades. In some countries such meetings are called 'Revival'. The message that I am going to share with you today is what the Lord pours out as 'Latter rain', the renaissance that the Lord brings out or spiritual revival.

It is learnt that the word 'revival' is taken from the Latin language. In English it means 'reawakening'. 'Vivo' means, 'given life' or 're-attaining life' or 'comes to life'. This means someone re-attains life from the jaws of death. It is not raising a dead; but reviving a person who was immobilized. A person's heart may stop functioning when he is struck by heart-attack. But his heart is revived by giving emergency treatment. This method of bringing back to life is called **revival**.

Echo of His Call

“... I will cause you to ride on the high hills of the earth, and feed you with the heritage of Jacob your father ...”

Isaiah 58:14

Dearly beloved in the Lord,

Lot of good things will come to you! Be of good cheer!!

In the world, Gospel is spreading fast. We alone are not working for the spread of the gospel. A lot of Churches and various Christian organizations send their ministers of God to their field of work and deliver the people from sin, sickness and poverty. We have to pray fervently for these organizations and Churches and also for the ministers of God. We should also support them as much as we can. We should forget and destroy all sorts of discrimination regarding the doctrines of the Church, and stand together as one army.

Our old student of **Nehemiah Bible College**, Pr. J. Rajamani and his wife Pastor R. Vimal were ordained as pastors and were appointed as Pastors in Palaverkadu on January 26th this year. The service was a very blessed one. Let us pray that the Church and parsonage built there, will be blessed by God. All the ministers of God and Churches in the villages of India must flourish and rise up. We know that there are 7,00,000 villages in India. We have to somehow reach the unreached with the Gospel.

Servant of God engaged in evangelism

have to meet the basic needs of such people. The devil is attacking them both physically and spiritually. Help such servants of God whom you know, with your money and physical support. Many servants of God who are rich, have lost their call and vision they had at the beginning. They are now involved in multiplying their own comforts, and buying properties. In the name of ministry, they construct huge buildings which are not actually needed and thus they are distracted in their ways. Please stop supporting such people and support those who truly work hard to win souls for God. Find such servants of God and shoulder them in their endeavours. God will bless you.

There are many servants of God who observe that crores and crores of people are going towards hell without Christ. Some of them even preach about the second coming of Christ and direct the people to

expect Christ's return at any time. But they have long term plans and construct huge buildings with an estimate of many crores of rupees and execute several financial plans. Is this necessary? Is it not a cunning deception? Can Church leaders do such things? Kindly think about this and support poor servants of God who really serve God with a true burden for souls.

It is wise to find out preachers who don't even have cycles, and small Churches that do not have proper roof or floor and servants of God who expect God to provide their next meal! We should be careful not to get deceived by others.

Some people execute deceitful plans which they have learned from their profession. They have included God and His ministry also in their list of products they sell and do ministry like their own business. Kindly identify such people and act wisely. We will surely pray for you.

We have decided to raise the standard of our **Nehemiah Bible College** and train more servants of God and also introduce B.Th. Degree Programme. To start with, we are going to launch B. Th. online programme. We lovingly request you to share about this in your own Churches and among people whom you know and direct many students to enroll with us. We expect your opinions and suggestions in this matter. Kindly contact us for more details. May the Lord Jesus bless you.

Your servants in Christ Jesus,

....Contd. from page 1

I was a product of the ministry of 'Herald of His Coming' of the late Rev. S. Devadasan. Here, you heard that I was introduced as the product or yield of the Herald of His Coming. We can say 'revival' or 'yield' is the product of the Holy Spirit or it is brought out by the Holy Spirit. Wherever the Holy Spirit works, we can find revival. This is not a human act; but it is of the Lord's. Revival never takes place among the ungodly.

Revival makes the faint saints take wings and come closer

to God again. It helps the backsliders to come to senses and back on the rails. Revival helps to portray the presence of God in society and helps remove nations' ignorance about the Kingdom of God and brings out a supernatural awakening.

For a blasting revival, usual prayer is not sufficient, but we need fervent and extraordinary prayers. Real revival cannot be brought out by modern musical instruments or by making a lot of noise or by innovative dances. It arises by bending our knees. The city of

Chennai is blessed with large number of Churches. But some areas remain unreached. Our main **Echo of His Call** Church area was one such place. Many a servants of God came to the conclusion that the area could not be reached by any one by the Gospel of the Lord. But God gave me a burden to reach this rejected place by His gospel. To accomplish this, we needed much prayer and tarrying. Finally the Lord wrought a revival. Large number of people who were heading to destruction, were met by the Lord through His gospel. The

Church came into being. Many people were baptized in the name of the Father, the Son and the Holy Spirit and added to the Church.

Owing to this revival, the Paragon Cinema Theatre, New Elphinstone Cinema Theatre, Wellington Cinema Theatre, Star Cinema Theatre etc. near our area which were the source of many evils, were demolished and in their place, new buildings sprung up. Many people who indulged in bad habits, violent acts and addicted to narcotics and indulged in abominable acts, changed heart, embraced the living God, joined our Church and live as mighty witnesses to the Lord.

Now it is for us to ponder whether this revival is a temporary one? Or a permanent one? How can it be sustained?

In this world such revivals took place in many countries. For instance, Scotland and Korea. The man of God, John Knox prayed fervently for the revival of Scotland. The Lord sent a great revival. As a result of it, a large number of people accepted Lord Jesus Christ as their personal Saviour. The nation progressed. There was economic prosperity. A large number of Churches were built. In every place there were prayer meetings and spiritual activities. Large number of young men and women repented and came into the fold of the Lord, rejected their luxurious life and went out as missionaries to various countries in the world and propagated the gospel. Because of this, in India and in other countries a large number of Churches, Schools and Hospitals were built. But what is the condition of this country (Scotland) today?

When I visited this country recently, I was shocked to know that the number of people practicing Christianity are very few. Many people live without Jesus Christ. Many tall churches have been sold out to heathens and are used as a place for idol worship, business centers for abominable merchandise, alcoholic show-rooms, dance halls, drama platforms, obscene film screening centers and centers used for things that could not be recorded. The pity is, these buildings still bear the Cross Symbol!

A man of God invited me to share the Word of God to the people in a big auditorium in Scotland. While inviting, what he said was, "Pastor, these people do not know about Jesus Christ or Christianity. Let your message be the one introducing our living God Jesus Christ!" Though it was very puzzling to hear, when I preached the gospel about the fundamental truth of our Lord Jesus Christ, a

large number of people of that country repented and came forward with tears to accept Lord Jesus Christ as their personal Saviour. It was a wonderful sight!

What was the reason for their backsliding? They lost their first-love. Worldly education, economic prosperity, playful life, narcotics etc., blunted their mind and considered prayer-life an alien thing. They alienated holiness from their lives also.

Contrary to this, see Korea which witnessed revival.

When Korea was down with economy, education and culture, God raised a man, Paul-Yonggi-Cho. God answered his prayers and sent a mighty revival. Owing to the revival, the nation has grown enormously in economy and education in the world arena. The man of God and God's people continue to give importance to prayer without ceasing and practise holy life. Prayers are raised in all

Churches every day. Big prayer centres are built and prayers raised continuously in day and night. By these ceaseless prayers, columns of aroma are sent to heaven non-ceasing.

The servants of God here did not lose their first-love, thirst for prayer, their consecration and impact of the results of the revival and protect it with all guards. Because of this Korea has become a nation of excellence. I am talking of South Korea. It may not be an exaggeration that a great number of God's men have sprung up from here and are turning the world upside down!

So, for the pouring out of the mighty revival, sincere repentance and fervent prayers are necessary. A band of dedicated God's people who pray for the nation fervently are also necessary to safe-guard this revival. If we falter, the fire of revival will be quenched. Let the fire in the altar continue to burn!

TWO SIDES OF A GENUINE REVIVAL!

1. A live Revival among God's people.
2. Restoration of God's presence.

1. A live Revival among God's people!

Fervent prayer will bring out a super-natural revival. St. Paul exhorts the people, "I beseech you therefore, brethren, by the mercies of God, that you present your bodies a living sacrifice ... Be transformed by the renewing of your mind ... Romans

12:1,2. Now-a-days in Churches and Christian organizations apostolic spiritual experiences are given a go-by, instead novelty and modernism prevail. Present day fasting prayers have been turned into miracle meetings and revival prayer meetings for nations have turned into a place for making money. The people who attend prayer meetings with a burden to pray for the nation must pray with humility and fervency that our Lord should listen and answer their prayers. And violence, corruption and curses should be completely eradicated and peace and prosperity should prevail on our Nation.

For our nations to have a genuine spiritual revival, first the children of God should submit their lives to the will of God and be transformed by the renewing of their minds.

Contrary to this, under the garb of doing something new, the

Churches of today introduce wrong things before the people and enlist them for achieving their goals and declare it as a great revival. Unless changes take place in the lives of people, their prayers, music and dances, prosperity preaching, attractive platforms and innovative ministry plans are a mere waste. If one goes closer to this present-day 'outstanding servants of God', one can find bad things like unwashed abominable lust for money, pride, selfishness in their hearts that emanates bad odour. Some people keep aside the expanse of the Kingdom of God and say, 'My Church', 'My Ministry', 'My Missionaries', 'My Garden', 'My Tower', etc. This attitude should go and see what the Lord sees in us. It is puzzling that when a servant of God meets another with the intention of extracting something under the garb of ministry thus turning the meeting into a one-sided business.

PIT TO PALACE

(Life experiences of Pastor S. Sam Selva Raj)

“Whoever reads, let him understand” (Matthew 24:15)

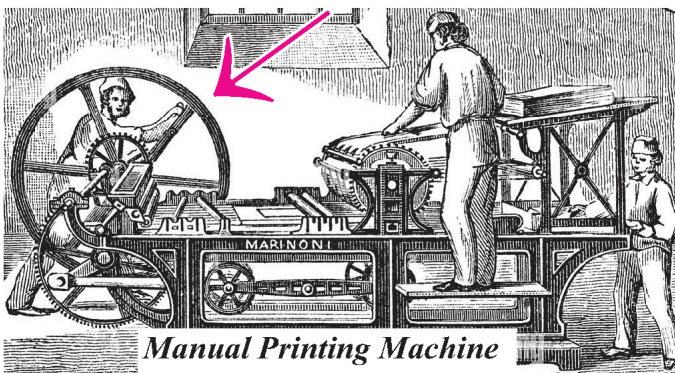

THE PRINTING PRESS OF ECHO OF HIS CALL!

During the years 1969-1971, when I was a young boy, I worked for the servant of God, Late Pastor S. Devadasan, as the most junior person, at his office of his monthly magazine, ‘Herald of His Coming’ and also in his printing press.

This Pastor taught me about the sufferings and goodness in Lord's ministry and also about the methods of serving the Lord. He also taught me the official and administrative works. I was also trained under their auditor, Mr. Vedamani to learn ‘Accounting’.

At that time our Pastor bought a new Printing Press. There was only one mechanic, Mr. Raj, in the Press. It was an old-model machine that was operated manually. If we rotate the handle once, we could print only one sheet.

I rotated the handle very happily, through it was a tough job. I had to rotate it 50,000 times to print the entire monthly magazine. I used to say, ‘Praise the

Manual Printing Machine

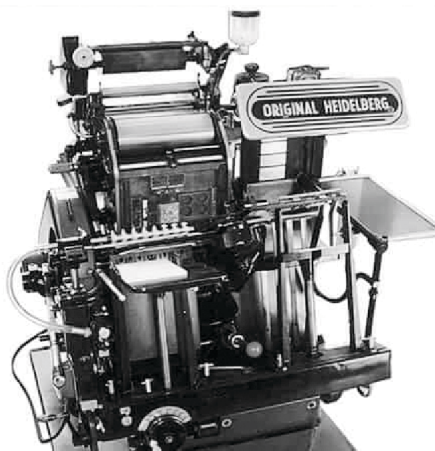

Lord’, every time I rotated the handle. Thus, I said ‘Praise the Lord’ 50,000 times. My Pastor used to look at me doing like that and he was encouraged.

He also took me to the office of the magazine, ‘New Life’, in Palayamkottai and showed me how that magazine got printed in that Press. I saw that old press and the people who sat down and folded the magazines. They bundled the magazines and took

them to the post office. When I saw them doing that work, I developed a desire to do that kind of a ministry. From that time, the concept of having a gospel printing press entered into my heart. I was asking for details to many people.

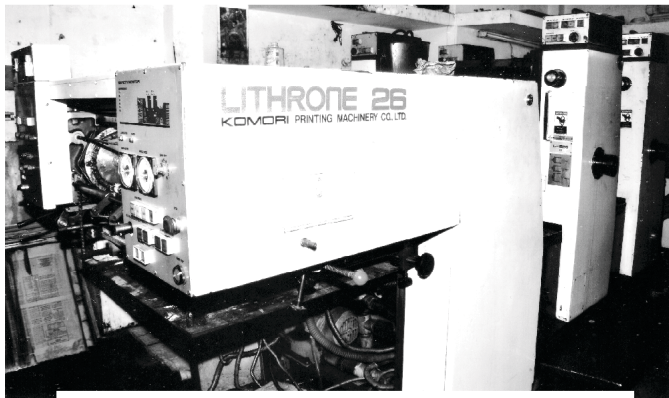

Once, I happened to go to the place where 100 offset Printing Machine were placed in a line. It was owned by a servant of God. I asked him the cost of a machine. He replied, “This can be bought only by very rich people. You can't buy this! Even if someone donates this to you, you cannot maintain it.” I was heartbroken to hear that. I went straight to my place, knelt down and told my God about that conversation.

The Lord heard my prayer. God gave me an old printing press. The same type of machine was found only in a Museum in a place called ‘Bloemfontein’ in South Africa. The Printing

Machine that God gave me was such an antique machine. It was with Bro. Sundaram from ‘Washermentpet’, Chennai. As he was not able to use it, he gave it to me for a low price.

Later, God helped me to improve and develop my Gospel Printing Press. Bro. Moses was our first printer (press operator). Today, God has given me an automatic offset printing press with which we print our **Echo of His Call**, magazines in 16 languages. We

Present Automatic offset Printing Machine

also print many spiritual books in various languages and by the grace of God, we send them free of cost all over the world!

In order to reach this position, I had to pass through difficult paths. Dear friend! Are you also passing through a difficult path? The Lord Jesus Christ will help you to do the ministry that He has given to you. You will not be disappointed.

...“Eye has not seen, nor ear heard, nor have entered into the heart of man the things which God has prepared for those who love Him.”

I Corinthian 2:9.

...Contd. from page 6

2. Restoration of God's presence!

In the last thirty years a large number of servants of God has risen. So also the number of ministries has increased. But, instead of developing good intentions, confusions and bad thoughts increased! There are people in churches and societies who come forward to pray for a particular issue for long years. Some souls are roaming from Church to Church without spiritual satisfaction! The Churches which are powerful enough to change the world politics, are trembling before it!

It is the will of God that the powerful preaching of God's servants should bring changes in the lives of people and send Satan trembling away. But the glory of the ministry has turned pale, why? It is a fact that God has taken away His presence.

So, it is for us to introspect where we have lost the presence of God and in what circumstances apostolic anointing has been taken away from us. The spirit of prayer and spirit of supplication should be poured out in Churches and families. When this is poured out,

people will cry out for revival. The burden on the perishing souls will hurt them and make them to come forward to do any sacrifice.

Now is the time that we should witness a revival. This is the reason for the Lord has kept us alive during this time in this world. Cast out all dead works and selfish ministries and come to the Lord and

pray for a great harvest of revival with a burden. Set out your feet working. God bless you!

Psalm 121:7-8

The Lord shall preserve you from all evil; He shall preserve your soul. The Lord shall preserve your going out and your coming in From this time forth, and even forevermore.

Special Prayer Requests:

1. The Lord should solve the problems faced by our Senior Pastor's family.
2. The financial difficulties faced by the **Echo of His Call** ministry must be changed.
3. The Lord should provide people with a vision to serve the Lord. We need dedicated workers at our Chennai office, Village High School, our Bible Colleges, Gospel Printing Press, Churches and also at our Mission Fields.
4. All the people who hinder God's ministry must repent.
5. The Pastors who enjoy all comforts, must not only think of their own developments, but also use their finances to construct Churches in village where there are no Churches. One Man of God said, "If the money that lies unused in the hands of many great servants of God gets released, it can be used to construct one or more Churches in all the villages that do not have a Church in India." Kindly keep this in mind and pray about this.
